# About IA & Partners

Ibrahim Al Qassim & Partners is one of the pioneering legal and corporate services providers in the UAE with over 30 years of experience.

Over the past three decades, our reputation has consistently out-paced us. We have nurtured numerous successful partnerships both domestically and internationally, establishing relationships with some of the most prestigious clients and organizations in the industry.

Our mission is to deliver exceptional legal services for our clients and ensure a healthy long-lasting relationship with them through providing effective solutions and safeguarding the rights and interests of those we represent.

We envision to create a positive impact in the legal field and the communities we serve by developing a culture of continuous improvement, inclusivity, and ethical practice.

**IA firm was established upon three key principles:**

*Trust*  
*Truth*  
*Transparency*

Our team comprises highly qualified lawyers, corporate advisors, and consultants who are dedicated to providing top-notch services to our clients.

## Our Branches

### Legal Advisory

We safeguard our clients' interests and ensure lawful operations across various sectors.

### Corporate Services

This includes entity formation, corporate governance, compliance management, regulatory filings, and contract administration.

### Litigation & Pleading

It involves representing clients in court, drafting legal pleadings, and managing disputes.

***Law is the shield of everyone.***

## Why Choose Us?

Further to our exceptional legal services, we provide our clients with the below:

- Detailed legal service plan and timeline
- Regular progress reports
- Ongoing advisory and support services

# Our Sectors

## 1 BANKING & FINANCE

Consists of banking and finance legal matters, including disputes, loan agreements, bond issuance, credit facilities, reorganization, bankruptcy, and investment banking transactions.

## 3 INSURANCE

This section covers key aspects of insurance law, including coverage disputes, policy drafting, regulatory compliance, and claims management.

## 2 HOSPITALITY & LEISURE

This sector outlines key legal aspects of hospitality and leisure, covering hotel management, liability risks, intellectual property protection, and tourism-related regulations.

## 4 FAMILY BUSINESS

Addresses legal considerations for family businesses, encompassing succession strategies, governance frameworks, and internal dispute resolution mechanisms.

## 5 CONSTRUCTION & INFRASTRUCTURE

It includes reviewing, drafting, and enforcing construction contracts, resolving disputes such as delays and defects, and addressing legal issues in large-scale infrastructure projects like roads and bridges.

## 7 CRIMINAL CASES

It includes defense for accused individuals, handling white-collar crimes like fraud and embezzlement, and addressing legal issues related to juvenile offenders.

## 6 ADMIRALTY & MARITIME

Focuses on admiralty and maritime legal matters, from shipping disputes and marine insurance to international regulatory compliance

## 8 HEALTHCARE

Healthcare legal services focus on medical malpractice, protecting patient rights, addressing healthcare fraud, and handling pharmaceutical law issues.
